On behalf of the Board of Directors, Staff and Programming groups, I would like to thank everyone who attended the station’s AGM on Sunday 18th September 2016. The AGM was a great success and the board discussed the future plans for the station. We are entering a very challenging time in term of grants, building extension, training and engaging with the community. I take this opportunity to thank the members for their continuous support.

Peter Rohweder, Station Manager.
The August Broadcast Induction session was attended by sixteen new members from the Arabic, Chinese, Italian, Korean, Romanian, Samoan, Tamil, Japanese Lithuanian, Russian, Latin American and Multicultural Communities. The next Broadcast Induction will be held on Tuesday night the 6th of September at 6pm, to attend this session participants have to be financial members of 4EB by paying for 2 years membership, $60 or $40 for concession card holders.

The current round of panel training has just started and the last round of 2016 will start in late October. As this is a part time role I’m at 4EB on Monday, Tuesday, Friday and Saturday’s. I’m not at the station on Wednesday or Thursday’s. We are also looking for more broadcasters to get involved with our Friday night youth program “Oxygen” please contact the office if some of your members are interested.

There have been several instances in recent weeks where people have been entering the studios either far too early or being in the studios far too long after their programs have finished. This has caused on-air programming to be affected which is unacceptable.

Please DO NOT enter the studios until half an hour before your program and exit as soon as you can, after your program has finished. Convenors please make sure your broadcasters and panel operators are fully aware of this. Until next month ....

Happy broadcasting,
Jason Hagen
Training Coordinator 4EB / Global

Ukrainian Festival – Brisbane and 25th Anniversary of Ukraine’s Independence

On Saturday 3 September the Ukrainian Community of Brisbane held its inaugural Ukrainian Festival in the grounds of its new Community Centre at Holland Park. The festival was especially significant as Ukrainians around the world, including those in Brisbane, were celebrating the 25th anniversary of Ukraine’s Independence.

The members of 4EB’s Ukrainian Language Group were on hand to assist in setting up marquees, arranging the sound stage and help sell delicious traditional food.

The event saw hundreds of people come and sample traditional foods including holubtsi (stuffed cabbage rolls), varenky (dumplings filled with potato), pyroshky (savoury dough rolls filled with ground meat or cabbage) not to mention delicious tortes and cakes – all homemade by members from the Ukrainian community.

Entertainment was provided by talented Ukrainian singers, musicians and a traditional dance group who kept the crowd wowed and wanting for more.

Stalls sold traditional Ukrainian arts and crafts from embroidery to pysanky (hand painted eggs traditionally prepared for Easter), as well as books and smallgoods from local delicatessen Euro Delicious.

Plans are already underway for next year’s Ukrainian Festival which promises to be bigger and better. The event will, of course, be advertised on our airwaves well before the date and we welcome all 4EB members to come along and enjoy themselves at one of Brisbane’s newest festivals adorning the multicultural scene. We can guarantee that you will have a fabulous time sampling our wonderful Ukrainian culture!
SERBIAN FESTIVAL BRISBANE 2016

Serbian Festival Brisbane was a huge success! This year, the biggest crowd ever attended the festival. 4EB Serbian radio group enjoyed the beautiful folk dances by Morava Brisbane Folkloric Group and a special guest, lead singer Biljana Bina Mecinger. 4EB Serbian group convenor, Stanka Vuletic, interviewed various guests and the public to capture the festival atmosphere. Also, Stanka had an interview with the remarkable Serbian singer Biljana Bina Mecinger, who entertained the guests at the Serbian Festival Brisbane. Bina accepted to visit us at the Serbian radio program. She will join us in 4EB soon, along with her band to sing for us live!

MUSICAL NIGHT WITH THE SERBIAN PROGRAMMING GROUP

Recently, the Serbian Programming Group had an amazing musical night at Serbian radio. We had a couple of special guests - musicians Maja Puseljic and Dragan Milovanovic, who performed live on 4EB. After the program, we had after party celebration with the guests while enjoying the delicious traditional food!

Maja is a Brisbane based singer-songwriter, whose raw and passionate vocals navigate the nuances of soul, folk and blues. Her Serbian background and deeply personal, honest song-writing will get your head thinking and your toes tapping. Accompanied by various instrumental sidekicks with inventive arrangements, she is gaining a notorious reputation in the Brisbane music scene for her thought-provoking performances. Her fast-paced wit, eccentric character and quirky stage presence add to her unique act and style of music.

Our second special guest was incredible local musician Dragan Milovanovic. Thank you to Vlasta Jokic for inviting Dragan to play live on Serbian radio program. Dragan is usually performing at Serbian Clubs and Serbian Brisbane festival.

Special Thanks to: Gerasim Andrejic, Suzana Andrejic, Nikola Katrestelaro, Biljana Katrestelaro, Vito Milic, Ana Milic and Milica Bozic.

On Saturday evening 24 September 2016, the Vietnamese Community in Queensland held its annual Children’s Festival at CJ Greenfield Sports Complex in Durack. Also known as Mid-Autumn (Northern hemisphere) or Moon Festival, this is traditionally an occasion for farmers and peasants to celebrate the end of the harvesting season. Thousands of children and their parents, grandparents flocked to the sportsground from 4pm on Saturday to enjoy the rides, the lion dance, the performances by the children themselves and of course, the food.

Radio 4EB was there with members of the Vietnamese group manning the OB van, interviewing children and handing out lanterns, lollies to them and information leaflets to adults. Pledges to the upcoming 4EB Radiothon were also taken.

A joyful evening wrapped up at around 10pm with a fantastic fireworks display.

Shoaib Almfarraj
Arabic Group

My companionship starts with the radio when I was teenager in Morocco. I used to have a small transistor, at that time I used to listen to BBC Arabic service broadcasting from London. Honestly, I was very fascinated by the voices of the broadcasters.

Today, I feel I achieved a dream to be a radio broadcaster and learning new skills, it is a very amazing experience but real; as if I went back in history.

I appreciate all the support that I am receiving from Madam Dina Hanhan, our convenor, she is very informative and sensitive lady, I also send my gratitude to Jason Hagen who is doing a great job with an open heart.

Thank you— Radio 4EB for giving me this opportunity to learn about radio broadcasting and meeting great people.
