

Nomination for the Role of Director - Radio 4EB

I write to express my interest in nominating myself for a second term within the Board of Directors of Radio 4 EB.

I am an active member of the Radio 4EB community and have been involved in its various functions for approximately 10 years. I have served on the Board of Directors since September 2019 and have taken an active role as part of the Governance Committee for that period. I understand that the vision of Radio 4EB is to provide a safe haven for communities who speak languages other than English, all whilst enjoying neutral and inclusive content. This is one of the main reasons that drive me to continue to lend my support to this unique establishment.

I am a highly skilled professional, working as a Senior Associate – Employment and Workplace Relations with MBA Lawyers. As part of my legal career, my main focus is to contribute towards supporting the communities of Queensland by driving positive change and protecting Employers' ability to provide sustainable services whilst maintaining the entitlements of hundreds of thousands of workers across the State of Queensland.

I believe that continuing on the Board of Directors of Radio 4EB, I can utilise my existing skills in the legal field and form a valuable asset to the Board. It will also enable me to continue to contribute to the community of Brisbane and the other communities who are faithful listeners in other areas of the State.

Together with my fellow Board members, we supported 4EB radio station and its community through the COVID-19 Pandemic which has had a profound impact on the level of services 4EB radio provided and continues to provide. As a member of the Board, I played an active role in supporting 4EB radio's strategic direction while we all were going through the Pandemic. I am proud of my achievements as a Board member thus far and look forward to continuing to support the 4EB radio community into the future.

Your faithfully,

Sewar Mitanis
